Date	Estimated Hours/Cost	Please give short summary of what was accomplished
		Annual Firewise Activities (please track/estimate hours/costs annually)
		Raking lawn or cleaning up around structures
		Mowing lawn
		Trimming around structures and trees in defensible space (100 ft)
		Siding or gutter upgrade costs
		Driveway improvement costs (such as added gravel, surface upgrade, add a turnaround)
		Roof replacement cost
		Cleaning of rain gutters and roof valleys
		Tree removal costs
		Removing anything stored or collected under decks
		Cutting & stacking of brush from defensible space (100 ft) around structures
		Cutting & stacking of brush to improve road access
		Moving flammable materials away from exterior walls (mulch, leaves, firewood, needles)
		Removing flammables (pine needles, mulch) close to exterior house walls.
		Emergency Responder Access Improvements
		Ensure your home & neighborhood has legible & clearly marked street names & numbers.
		Driveways should be 12' wide with a vertical clearance of 15' for emergency vehicles.
		NOTE: If the crew is ahead of schedule, piles may be picked up earlier than the dates shown below. Please have your piles ready as soon as possible.
		NORTH/SOUTH DIVIDE: Chase Lake Rd on the West and Baker Rd on the East.
		North-side pickup dates: August 7-10.
		South-side pickup dates: August 7-10.
		This form is needed in order to participate in the Itasca County Firewise program. No brush to pick up? Submit a form anyway with work hours/costs to help obtain grant money for next year. Write NO PICKUP here:
TOTAL		And big thank you to Joan Ratzlaff for initiating the Firewise effort!!!!
