

Opening Remarks:

I am happy to say that the Frolic seemed to be a huge success. So many people stepped up. And we were fortunate with a beautiful day.

This morning we woke to sub 50 degrees and a fire was demanded in our cabin. I suppose it is signaling the end of the season. I, for one, love the cool evenings. -- Bill

DLA FiveStar Initiative

DLA is piloting an Initiative that asks local lake service providers, marine dealers, and resorts/camps to implement AIS (invasives) and other safeguards, then encourages DLA members and Deer Lake property owners to patronize those firms. Please help keep Deer Lake AIS-free.

When you hire someone to remove your dock this fall, please consider patronizing a DLA FiveStar lake service provider. They are working hard to keep AIS out, Deer Lake water quality high, and to earn your business.
